WORK EXPERIENCE

TYGERSHARK | Intern Web Developer
May 2018 – Present | Barrie, ON
- Created WordPress websites from in-house design assets.
- Developed fully responsive content to ensure a unified brand image across screens.
- Collaborated with developers and designers to produce marketing solutions.

AWAKE CHOCOLATE | Campus Manager
November 2016 – March 2018 | Hamilton, ON

- Increased on-campus sales through strategic distribution of chocolate samples.
- Promoted the AWAKE brand on McMaster's campus through swag distribution and branded social media accounts.
- Took initiative in reaching out to on-campus retail managers to ensure sufficient stock & address availability concerns.

CITY OF BARRIE | IT Service Desk Co-op Student
May 2017 - August 2017 | Barrie, ON
- Initiated hundreds of successful computer builds and user state migrations.
- Resolved many different IT problems with users remotely, and in person, using excellent communication skills.
- Facilitated the deployment of over 1000 computers across the corporation.
